

Quarterly Reading Log Requirements

Dear Parents and Students,

In 4th grade, students are required to read at least 500 pages per quarter. These pages must be documented on the reading log provided. A parent signature is required for points to be given.

Books chosen for the reading log do not have to come from the Valley Academy reading list. However, the books on the book log do have to be at a 4th grade (or higher) level. Both fiction and non-fiction books are acceptable. Fiction books should be in a "novel" format. Comic books and picture books are not acceptable for the reading log. Also not acceptable are the Diary of a Wimpy Kid Series, Dork Diaries Series, and Geronimo Stilton Series. Although the previous titles are fun reads for the students, they are not at the appropriate academic level for the reading log.

Students may include their quarterly book report books on the reading log. The novels read in 4th grade (Little House in the Big Woods & The Tale of Despereaux) should not be added since these books are read out loud in class.

If you have any questions about the reading log, please contact your child's teacher.

Thank you,

The 4th Grade Team
